Freight transport Visby in the inner harbour

The period 1/5 - 30/9 is closed to take in goods on "Holmen" in Visby harbour.

However, between 1/5 - 1/6, 1/9 - 30/9 special transports can be carried out in consultation with the Port Department.

Ship-generated waste

Dues for ship-generated waste are included as a general supplement to the port dues for vessels.

Vessels exempted from port dues, according to item 1.7 below, pay a waste fee in accordance with the service tariff.

ISPS

The following ports are ISPS classified: Visby, Klintehamn, Slite and Ronehamn.

The security fee is included in the port dues. Does not apply to regular services.

Linesman

Ordered from and invoiced by Gotlands Stuveri AB, in accordance with their tariffs.

To order: info@gotlandsstuveri.se or 0498-21 02 07.

Cruise ship (quay 14 and 15)

Cruise ship traffic to the cruise dock (docks 14 and 15) is not included in the regional council of Region Gotland harbor taxes. For bookings and tax questions, contact Copenhagen Malmö Port, CMP. cmport@cmport.com.

LOA

the total length of a boat or a ship.

The charges in the port tax are based on the index number 346.44 (2021-10) in the consumer price index, KPI. When this index changes, the Technical Committee has the right to regulate the fees thereafter, but not more often than once a year. Charges are rounded up.

Land leases

The prices below are per calendar year. Annual billing.

800 SEK up to 8 sqm.

For each excess sqm over 8 sqm, 20 SEK.

For each excess sqm over 40 sqm, 22 SEK.

6 SERVICE TARIFF

The dues stated below are exclusive of VAT.

Orders for work in accordance with the tariff below must be submitted to the port office at the latest by the day before that on which it is requested that the work be performed.

Work orders are carried out in the order in which they have been requested, though the port reserves the right to give priority to disabled vessels and to similar matters.

Orders are cancelled one hour after a one hour unannounced waiting period.

In this matter, an unannounced waiting period refers to a delay that was not notified by the orderer by the latest one hour before the appointed time.

The hourly cost of work by one person is 422 SEK during regular working hours.

For all overtime work, a supplementary fee is charged of 422 SEK per hour and person.

The minimum fee for an assignment is for one hour.

Excess time will be charged for each started half hour.

Overtime is always charged for at least two hours.

Overtime in connection to regular working hours is charged for every started half hour.

Regular working hours are non-holiday Monday-Friday, 7.00 am–4.00 pm (07.00–16.00). All other time is overtime.

The port is not responsible, nor liable to pay compensation, for costs or damages suffered by travellers because the slipway cannot be used due to operational disturbance or other force majeure.

The orderer is solely responsible and liable to pay compensation for damages of any kind that during work with a slipway have been suffered by person or persons, goods or other objects, provided that the damage has not demonstrably occurred as a result of such defects or faults in the slipway, or parts associated with these, that the port staff obviously should have observed and rectified or caused by negligence or gross misjudgement.
